Dear students,

A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at HSC level and subjects they would be studying at college level.

About the Course

The syllabus for the course is framed in such a way that, equal importance is given to **B. Sc. discipline subjects, Personality Development** and Guidance for future **Career Opportunities**. To ensure the smooth sailing during this phase, lot of guidance and hand holding from teaching fraternity is very much needed. So, before the commencement of regular classes bridge course is conducted for newly inducted students. The strength of our relationship with the students is our ability to gauge their strengths and weaknesses.

Objectives

- To leverage the learning skills of students with academic standards and academic performance.
- To gradually increase the self-confidence to face exams and syllabus of the new changed pattern.

Course Outcome

- Students will become familiar to curriculum and examinations.
- Students will be able to design their own study schedule.
- Students will be acquainted well with the curricular and extracurricular activities
- Students will be able to manage personal responsibilities.
