12. Innovations / Contributions in Teaching:

a) Teaching Methods:

- Other than lecture method, the department is making use of OHP and LCD projectors wherever possible. Also the students are using OHP and LCD projectors for delivering their seminars. Apart from unit tests and college test, frequent tests are taken on the articles taught in the classroom so that students study that articles. Assignments are given on the subject by staff members. Seminars are arranged to increase their self confidence and understanding in the subject.

b) Preparation of Resource Material:

- The department provides paper wise & unit wise notes to the student as per prescribed syllabus and set of University question papers are also kept in the department.

c) Remedial Coaching:

- Engaged classes for weaker students and minorities in the subject Mathematics sponsored by University Grant Commission in Shri Shivaji College, Akola.
